

Dear Families,

We hope you are all well and taking proper precautions during this time. The Tri-State Transportation Campaign wants to hear from you!

Recognizing many residents rely on transportation during this time for work, groceries or caring for other family members has been an even bigger obstacle. Please take their quick survey asking riders about their commute during the coronavirus (COVID-19) crisis, it can make a huge difference especially in this difficult time.

Let us know your experience with the survey links below:

Thank you!

-Sincerely,
