

## *Liberty FSC December 2020 Newsletter*

---

As the challenging year 2020 ends, The Liberty Family Success Center wants to highlight a few programs for the months of October through December 2020!

### Occupational Therapy!

Six families of the LFSC joined the "motivated Families Program"! Students from Kean University held sessions for kids with special needs and their parents, to promote healthy living by teaching different techniques through activities and parent support groups. There were giveaways for our children too!!!

---

### Foundation to Success!

Foundation to Success was a program provided by Pavia Financial. This program was a job readiness program where 15 LFSC participants were given the tools to succeed. The Pavia coach met the LFSC participants right where they were "career-wise" and trained them and inspired them with guest speakers to show that building the right future can be done no matter where they come from! Participants got to network with the right employees and educational institutions to advance and make the right move in their future!

### Thanksgiving Food Drive!

The LFSC was able to feed 12 families on

Thanksgiving Day, thanks to our very own Occupational Therapy intern Karisa!

Karissa is a member of "Be The Change Foundation" and through her, we were able to be the change for 10 families within our community.

## A Special Thanks! Christmas 2020 Toy Drive!

The LFSC would like to thank the Hance Family Family Foundation for making the 2020 Toy Drive a reality despite COVID-19. We were able to serve 75 families and their kids were as happy as they can be!!
